WEDN'SDAY MORNING, FEB. 12, 1873.

State legally, and certainly morally, meanor cases on court calendars, with it? bound to pay the repudiated bonds. The hides its scarred and pitted front, it case is much stronger in behalf of Ten- would be hardly advisable for the Legto whom they were delivered by the ministration of the penal code. The ing State capital. State for less than their face value, proposed reform is hardly a reform. It made them absolutely void. Every relieves vice of burdens, and if the THE next ring is that of the Sewingbuyer knew this, and therefore time of courts and juries be spared by Machine Manufacturers, after that the paid less for them than they the change proposed, the greater evil ring of the sewing-machine women, would otherwise have commanded, of active vice is fostered. It may and away goes our buttons. There is not the slightest moral obliga- be well to dispense with juries in misdetion resting upon Tennessee to pay these meanor cases, but never in cities of Tenbonds. There was never a banker who nessee to invest 'Squires, white and bought a bond without reading the law black, corrupt and incorruptible, with authorizing its issuance. And yet Ten- exclusive jurisdiction in these matters, nessee proposes to pay bonds that were involving the morals and well-being of practically stolen and sold at forty cents. Nobody in Tennessee proposes to repudiste. It is not because we respect the clamer of the thieves in New York or in London, who prate so loudly about the credit of a State, which they have just robbed, and are even yet licking their greasy, hungry chops; it is not on account of the respect we have for the thieves who were leagued with the dirty villaln Governor Bullock, to plunder Georgia, that we would tell Georgia to than that of Casar's wife. Neither the scottmed relative to mode these States. The people did not create the governments or elect the officers of the brutal, to do. The New Orleans Picayane, of the State of Georgia and to pay the people did not create the government," which we modestly suggest, is the right thing required to meet the current obligations of the State of Georgia and to pay the people did not create the government," which we modestly suggest, is the right thing to do. The New Orleans Picayane, to do. The New Orlean debased organizations which wrecked which has always been clear, fair and interest on the public debt. the fame and fortunes of two great candid in its position throughout this States, and yet Tennessee and Georgia sad imbroglio, says "the people of Lou-New York are endeavoring to establish sad imbroglio, says "the people of Louboth propose to pay and practically recognize as right facts known to have
been foully frandulent and full of corruption. The creation of the repudiated debt of Mississippt may have
been unwisely authorized, but it was
been unwisely authorized, but it was
created by the highest power in the abroad, for aught we know, by honest men. The Legislature and Government in establishing that government in establishing that government in establishing that government in establishing that government. This is enough. The Mcthe securities as in the case of Tennessee's bonds. In fact, the debt is just as most public debts, and the assumption and payment is only a question of time. The liability is perfect. Now let the people of Mississippi say to these bond-holders, who wield great power everywhere, that if we may have lessened public burdens, if the cost of government must make be reduced by what it was in those presenting their credentials as members of Congress; but it has no power to order another election for the officers of the government of the State of Louisiana. Nor has it any right to ordain a compromise, to consist of the members of the Legislature approved of by all the boards. The Lynch-Longstreet board is proved to have been no board at all; and its doits shape, and begin by paying a low rate of interest, as did Illinois when first bankrupted, and when, afterward, she discharged her obligations. Let the

Mississippi bond-holders be patient. The

people, after a time, will infallibly do

right. Just now, with present burdens

and poverty-stricken as they are, and

grouping beneath the pressure of calami-

conceded that the Northwest of yesterday, wherein it charges A fire at Granville, Washington must have cheaper rates of freight us with being animated in our county, New York, Monday morning, charges to the sea. It costs eighty cents criticisms on Mr. Johnson's conduct burned the best portion of the village, to transfer a hundred pounds of corn from Burlington, Iowa, to New York, and only thirty cents to New Orleans. by personal motives. We deny this in stores, two law offices, a harness shop, and only thirty cents to New Orleans. not the faintest shadow of ground for loss is from eighty to one hundred thousand the state of the stat Eastern cities, which have ever con-the charge. We support Mr. Johnson sand dollars, trolled Washington legislation at will, are appalled by these facts, and the West demands an instant amelioration of swits that make products of North-lic man, and with acts that he cannot the products of North-lic man, and with acts that he cannot The people are still anxious, and are expecting as on to be forced to take rewestern industry absolutely worthless. justify, and that not even the Avalan he expecting scon to be forced to take refrom Memphis to Kansas City as in- son manipulated official information for ment in the ice. dispensable to the new Northwest as it the gain of others, or was quiescent and makers and the employes of the furniwould be promotive of the aggrandize- allowed it to be done, when he ture manufact duction of freight charges when lators, and care nothing whether they men shoemakers. lower rates would render the maintenance of the roads wholly impossible.

This scheme of the East must therefore be abandoned, and hence we hear much converse of 1520 there. It is a feet to be abandoned, and hence we hear much converse of 1520 there. It is a feet the first feet to be abandoned, and hence we hear much converse of 1520 there. It is a feet to be abandoned, and hence we hear much converse of 1520 there. It is a feet to be abandoned, and hence we hear much converse of 1520 there. tub thrown to the great northwestern tanche explain that on personal grounds? Louis Sunday on suspicion of baying killed his wife. The Coroner's inquest whale, is the proposed canal from St. Louis to the southeastern seaboard, at Branswick. This would cost vast sums of money, and years would elapse before the task could be completed. Meanfore the task could be completed. Mean-while the Northwest toils in vain, road lies along the western slope of pended in the construction of the new and corn and wheat are valueless. Why not open the natural highway of the West to the ocean? Why the empty fraud, involved in the triffing, the empty fraud, involved in the construction of the new postoffice in New York city. Two million more will be require to finish it, and if another story is added an additional million will be needed. Why courts, fatal to everything that falls not dig a Suez, still-water canal from into their clutches, must define the New Orleans to deep water? Why this value and determine the fate of this unhappy scheme and of parties elaiming the right to shape like value of the Valley of the value of the Valley of the results of the Valley of the value and determine the fate of that the insurrection in Spain is daily gaining strength. It now exists in eight northern provinces, and is extending to plete relief to the people of the Valley of its fortunes. Meanwhile, the peothe Mississippi? That which should be done first, and is easiest and cheapest, is postponed in behalf transit of the Cairo and Fulton read, on of all sorts of delusive proposi-tions, which involve neither more resources of the country abundant, the nor less than the continued subjection of people and counties rich, and there is no is said to be attributable to the fact the finitely better, say Eastern Congressmoney in any delisive scheme, to ex- pi Legislature to curtail the county, management. pend a few hundred thousand annually school and municipal expenditures to a The New York Evening Post yester

lature, in order to transfer jurisdiction of certain offenses exclusively to magistrates' course. Of these peccadillos, such as desling jack from the bottom, upsetting jugs and shricking "keno," [against the peace and dignity of the State] and "stripping a pack" when the tiger growis and licks his chops in delighted contemplation of some innocent products as possible of the second of the sec plation of some innocent producal son or raw village tradesmen led to the sacrificial altar—of these peccadillos magisterates already have jurisdiction. But magisterial non-intervention is easily secured. The blindness of these courts is sometimes as marvelous as was that of the police when the City Government, under the benign, Christian administration of the saintly Johnson, was running these institutions and lawy houses under a special partner—for the part of "Hamlet" omitted.

To of our friend Colonel Logwood's name was purely an inadvertence, which we regret. It was not size overed until our attention was called to it by the Register, and we cannot say whether the fault originated with ourselves or the printer—the pack-horse for all newspaper blunders. To mention the Register without the name of our friend Colonel Logwood, would be as absurd as to play Hamlet with the part of "Hamlet" omitted.

10 Soft the Register, the omission of any organs, and the conclusion was that he died of syning was that he died of syning was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning caused by nervous prostration—the result of overwork. His brain the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and the conclusion was that he died of syning and
